**Megaprofitpay**

## **TAKE AN EXAMPLE:**

**Let's consider Diamond Cyclor – \$50 package.**

The package costs \$50, and members can buy it anytime after the launch. After purchasing this package you will get 20 positions ( $20/1 = 20$  – each position costs \$1) will be stored in the system under their account. As per this package's rules, each position will be released at 3-hour interval automatically by the system. According to the package rules, this member can purchase Diamond Cyclor again after a 1-hour interval.

# Withdrawals

5) To sustain the project for a long time, we have withdrawal restrictions, and below are the details:

**Members will be eligible for withdrawal only when their purchase balance equals or exceeds \$1.**

# **AUTOMATIC RENEWAL POLICY**

## **From Repurchase Balance**

When members have no active package, \$1 will be automatically deducted from their purchase balance every 24 hours to renew for one position. Members need to keep their purchase balance at \$1 or more to qualify for withdrawing their earnings.
